

KQ PRIDE CENTRE – HEALTH & SAFETY PROTOCOLS

Pre-Entry Protocols

All Guests will be required to be pre-registered. Entry by appointment only

Observe social distancing of at least 1.5m all round.

Temperature screening and security checks will be done at this point . This is a mandatory requirement

Wearing of masks is mandatory no guest will be granted access without a mask

Masks should not have inappropriate phrases or graphics

Classroom Protocols

Do NOT move the furniture or swap seats – you are required to occupy one seating area during the duration of the training.

Do NOT hold group discussions (Observe social distancing at all times)

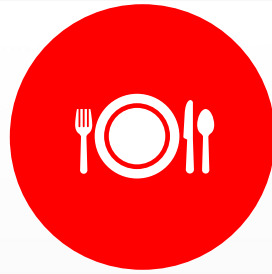

Keep all windows and doors open.

General Protocols

Wash hands for at least 20 seconds or sanitize.

Avoid sharing utensils and other items

Avoid crowding in common areas e.g Water Points and Lavatories

Always sanitize after touching high contact points like door handles, taps, toilet push buttons, shared cabinets, keyboards, guardrails on stairs, etc

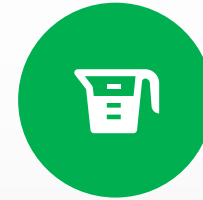

Water Dispenser Protocols

Avoid Crowding at the water point

Sanitize before drawing water

Use the disposable cups provided

Do not recycle cups

Do not use your personal water bottle to draw water directly from the dispenser

Waste Management

- General waste bins for normal litter like disposable water cups, paper and other dirt

Biohazard waste bins SPECIFICALLY for all used PPE like masks and gloves ; also for tissues used in coughs or sneezes

We promise to

Provide a clean environment

Promote safe spacing

Provide hand washing stations
